Autumn Term - Issue 12

Cycling Proficiency **Core Value: Love**

On Tuesday and Wednesday 12 Year 6 children participated in a cycling proficiency programme. On Tuesday morning, Bike Ability 1 took place on the ball court. Some of the fun activities we did were: learning how to signal left and right, how to look all around us whilst cycling and we also discovered what the ABC check is. Our instructors, Kelly and Andy, were very kind and demonstrated everything before we had a go. Luckily, everybody passed bike ability 1. Andy and Kelly had a serious chat with us, but only for a minute. They told us that we must follow their instructions as we were going to cycle on the road. On Bike Ability 2, we learned some very interesting things, including: the laser line start and a U-turn. Once we were back at school we had a drink whilst the instructors told us our results. Luckily, most of us passed level 2 and we were delighted!

PUPIL OF THE WEEK

Congratulations to the following children for achieving this week's Pupil of the Week award. They have been chosen for the following reasons:

- Excellent maths work when ordering numbers to 20.
- Give an impressive talk about a first sacrament.
- Excellent writing about The Great Fire of London.
- A lovely piece of art work on a Cave which is displayed in the corridor.
- Writing an imaginative poem including a variety of poetic devices.
- Making fantastic progress in maths reasoning.
- Using effective techniques to produce an excellent painting of a leaf.
