An End of Year Performance by Year 6 of There's a Leak

Year 6 would like to thank all of those who came and supported their fantastic performance of 'There's a Leak!' last Friday evening.

Elsa (played beautifully by Kitty) is 12. She walks her cat (Roberto) to the shops and they discover a leak in the pavement. What ensues is a catalogue of outlandish characters (beautifully portrayed by Year 6) coming to help sort out the problem. Notable moments were many – every single member of the cast worked extremely hard to deliver lines with sharpness and wit and some members of the audience were crying with laughter by the end.

Who can forget the sight of The Mothers (Zoe, Mia, Jessica C and Somaya) sharing their knowledge on parenting? Or Jack S, Janis and Oliver as the Men with fancy toolkits? From the Small Boy (Danny) to the teenager and his friends (Jack E, Matthew and Kristina), every character was beautifully observed. Sibella and Toby were fantastically officious as Council Workers obsessed with their self-importance; the Reporters (Luke, Max and Jessica) and the politician (Amelie) were also hilarious in their portrayal of the grown-ups. The scientists were particularly incompetent – thank you to Liam and Marissa for making that scene so funny!

The final scene, involving Orlando complete with mirrored sunglasses and dog tags, was when the army finally came to the rescue. Chiara and Harry - knowing exactly how to speak to a little girl and her cat – were on hand to dish out orange squash and cat biscuits from a garishly pink hostess trolley.

Finally, we must not forget Aidan who was a brilliant stage hand and problem solver throughout the production as well as being The Radio. I'm off to try some leeks with balsamic. Over. *(Miss Burr)*

A Special Message of Thanks

I would like to say a BIG thank you to Mr Booker the PTFA Tea for their hard work in organising the Summer Fair. They have worked tirelessly for the school to ensure all members of the community are engaged in high quality events whilst raising funds for pupils. I would also like to acknowledge all the parents, extended family members and friends of the St. Joseph School for their support too.

Reception's Trip to Folkestone Beach

Reception had a brilliant day at Folkestone beach last Friday. They absolutely loved paddling in the sea and playing in the sand together. Walking down the zig-zag path to the adventure playground was also very exciting. Children imagined bears and dragons hiding in the caves and mermaids and sharks in the distant sea. On the adventure playground, the curly slide and high bridges were very popular.

Bella: I loved jumping onto the sea best!

Tia: It was the best trip ever!

NOTRE VOYAGE SCOLAIRE!

On Thursday 5th July, Year 4 visited the French Institute in the heart of South Kensington. This is the official French government centre of language and culture in London. Pupils watched an award-winning French animated film entitled 'Ernest and Celestine' which told the story of an unlikely friendship between a mouse and a bear. They also had a French lesson where they learnt how to describe a variety of characters from the movie. It was a truly wonderful day where pupils were immersed in the French language and culture. We would like to take this opportunity to thank the parents who accompanied us on the day who helped make our trip such a
