The Early Birds Breakfast Club

'Each morning, we are always greeted with big smiles and the breakfast team are so attentive to each child's individual needs which creates such a warm and welcoming atmosphere...' Parent

We are so pleased about our Early Birds Breakfast Club, we thought it would be a great idea to provide an update in this week's newsletter.

On Wednesday 3rd January 2018, St. Joseph's opened its doors to the first customers. During the first week staff welcomed over 60 pupils and, over the weeks, numbers increased to an average of 80 per week. The Early Birds Club is run by Ms Hindmarsh, Mrs Toufilas and Mrs Williamson and they are proud to be a part of this exciting venture.

'Breakfast club is an asset to the school and offers the children a stimulating start to their morning. I am very grateful to all the staff that make it happen.'

Many thanks to all the St. Joseph's families for their ongoing support. If other parents would like to find out more about the Breakfast Club, please contact Mrs Hannon

Digital Leaders host the afternoon tea for St. Joseph's Young Entrepreneurs

Young entrepreneurs, a brother and sister duo (and their mum) were invited to a very special afternoon treat last Thursday. Following their massive fundraising success Digital Leaders felt compelled to ensure they received a reward for their great efforts. The duo managed to raise over £100 by baking and selling their cakes. A fantastic effort - well done!

We want to send our best wishes to all the year 3 children taking First Holy Communion during this weekend and next week Saturday & Sunday. We pray that God will bless you on this very special occasion.
