

Hello everybody. I'm Sophie.

Ever since I started at St Josephs I have wanted to be house captain and I'd really like you to vote for me to make my dream come true!

I think I'm the right person to be house captain because I'm responsible, sensible, enthusiastic and there's 100% school spirit in me.

I like to help and would be willing to do anything for the teachers and other staff, the children and any visitors to the school.

I'll always try as much as I can to make your time at St Josephs as fantastic as mine has been so far and to do what I can to make blue house the most cool at St Josephs school!

Because we all know that Blue House are the best and we're going to beat the rest!

So vote for me, Sophie P.

Thank you for listening.
